THE COLLECTION

Italian Performance. Timeless Elegance.

UNITED STATES EDITION

THE ART OF ITALIAN BOATING

***Born from the sea.
Shaped by Italy.***

Performance, craftsmanship and elegance come together in a different expression of life on the water.

The Italian Difference

Every Oro Marine is shaped by a distinctly Italian approach to boating - where performance, proportion and craftsmanship exist in balance. Every line has a purpose. Every detail is considered.

***Performance is engineered.
Elegance is instinctive.***

HERITAGE

Born in Italy

Oro Marine brings together Mediterranean design culture, practical seamanship and a passion for purposeful details. Refined at rest, confident underway.

Made to be driven.

PERFORMANCE

Engineered for the Sea

The collection combines deep, capable hull forms with balanced deck layouts and robust Hypalon tube construction. The objective is simple: predictable handling, useful range and confidence when conditions change.

FOCUS

Offshore capability

CONSTRUCTION

GRP + Hypalon

Confidence in motion.

CONTROL, BALANCE AND A DIRECT CONNECTION TO THE WATER.

U.S. SELECTION

The Collection

Eight models. Three identities, shaped by one vision.

GRAVEL SERIES

G19 / G24 / G27 / G31

Pure versatility - from compact day boating to off shore capability.

S SERIES

S13 WA

A flagship walkaround with space, comfort and presence.

C SERIES

C38 WA / C40 / C52

Performance-oriented cruisers with increasingly ambitious accommodations.

THE COLLECTION

From 19 to 52 feet of possibility.

GRAVEL SERIES

Pure performance. Absolute freedom.

VERSATILE BY DESIGN. DIRECT BY NATURE.

GRAVEL SERIES

Four ways to get on the water.

From the agile G19 to the twin-engine G31, the Gravel Series blends simplicity, versatility and performance. Smart layouts maximize space and comfort, while capable hulls deliver confidence in every condition. From coastal cruising to offshore adventures, Gravel is built to make every journey effortless and unmistakably Oro Marine.

G 19

G 24

G 27

G 31

GRAVEL G19

Designed as a refined yacht tender and compact luxury day boat, the G19 combines lightweight construction, effortless handling and elegant design. Easy to launch, easy to enjoy.

LENGTH
19' 8"

BEAM
7' 10"

WEIGHT
992 lb

CAPACITY
12 ppl

MAX POWER
100 hp

LENGTH	BEAM	WEIGHT	CAPACITY	MAX POWER
25' 7"	10' 2"	2,425 lb	12 ppl	400 hp

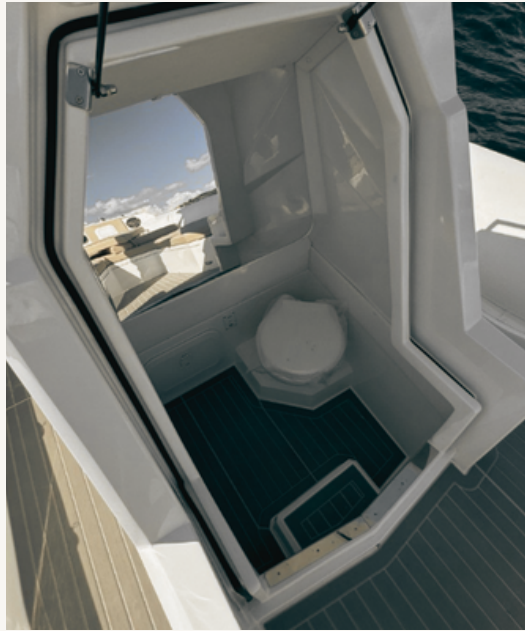

GRAVEL
G24

With a broader beam and up to 400 horsepower, the G24 moves the Gravel concept into a more substantial day-boat format while remaining agile and easy to enjoy.

GRAVEL G27

The G27 is a versatile 28-foot platform with generous bow and stern seating, a 300-liter fuel system and the ability to accept substantial single-engine power.

LENGTH	BEAM	WEIGHT	CAPACITY	MAX POWER
28' 3"	10' 2"	3,000 lb	14 ppl	450 hp
THE SWEET SPOT BETWEEN SIMPLICITY AND CAPABILITY.				

GRAVEL
G31

At 32 feet, the G31 adds twin-engine capability, a larger fuel reserve and an expansive social layout. It is the Gravel Series at its most complete.

LOA	BEAM	WEIGHT*	CAPACITY	MAX POWER
32' 2"	10' 10"	3,968 lb	18	600 hp

S SERIES

S13 W.A.

The S13 WA is the collection's statement walkaround: expansive social areas, a protected helm and genuine below-deck comfort, wrapped in unmistakable Italian proportions.

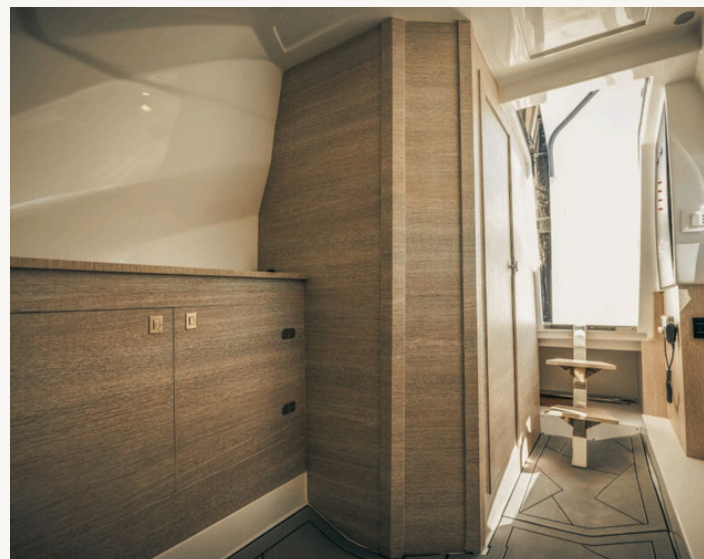

LOA	BEAM	DRY	CAPACITY	MAX POWER
39' 4"	12' 4"	4,850 lb	26 ppl	2 x 400 hp

C SERIES
C38 WA

A 39-foot walkaround conceived for long days on the water, the C38 WA balances a generous deck plan with strong performance and practical onboard amenities.

LOA	BEAM	WEIGHT	CAPACITY	MAX POWER
39' 4"	11' 10"	6,614 lb	24 ppl	2 X 400

C SERIES C40

The C40 expands the C Series formula with a 41-foot profile, a wide beam and a dedicated cabin with double berth and private bathroom - a capable platform for extended days and overnight escapes.

LOA	BEAM	FUEL	MAX POWER	CAPACITY
41' 00"	13' 00"	172 gal	2 X 400	24 ppl

C SERIES C52

The C52 is the most ambitious expression in this U.S. selection: 50-plus feet of deck space, four-engine capability and separate forward and aft cabin arrangements for genuine cruising flexibility.

LOA	BEAM	WEIGHT	MAX POWER	CAPACITY
50' 10"	15' 90"	9,921 lb	4 X 400	24 ppl

DETAILS

Made to be yours.

Color, upholstery, deck finishes, electronics and equipment can transform the character of an Oro Marine.

The goal is not decoration for its own sake - it is a boat that feels considered, coherent and personal.
